Seeds, by Ru

```
CHORDS (capo on 8 freth)

Gm(add11) Cm7
Ebmaj7 F7

Interlude
Gm G#m
```

```
LYRICS

Drop a seed into the sea
will it ever come back to me

Climb the ladder to the moon
if we wake up soon we will see

Lay your body on the beach
like grains of sand each to each

And let the ocean wash your tears
soak up those fears
fill my ears with sound
```
